

University of Virginia 2012 Summer Enrichment Program

Mission: Our mission is to engage gifted and/or high ability students in high quality learning experiences designed to cultivate interest and potential in a wide variety of fields and disciplines. Our program focuses on meeting both the cognitive and affective needs of these learners while fostering a passion for lifelong learning and leadership.

Points of Interest

- This program serves students currently enrolled in 4th-10th grade
- The camp is a 12 day residential experience. Students live on-grounds at UVa and attend classes at a nearby private school
- SEP is grounded in best practices in curriculum & instruction. We have a dynamic staff of experts in gifted education and fields ranging from engineering and architecture to economics.
- The program has been offered for over 30 years.
